

VNG AT A GLANCE

Key figures of the 2020 financial year

VNG is a group of over 20 companies active in the European energy industry with a broad, future-oriented portfolio of products and services in gas and infrastructure, and more than 60 years of experience in the energy market. Headquartered in Leipzig, the Group has a workforce of some 1,300 and generated billed revenue of approximately EUR 9.8 billion in the 2020 financial year. VNG concentrates on four links in the gas value chain: Trading & Sales, Transport, Storage and Biogas. Building on its core expertise in the gas business, the Group's 'VNG 2030' strategy places a growing focus on new business fields. These include green gases and digital infrastructure.
